Victory day

Today we will speak about "Victory Day"

All people who live in Russian Federation know this day! In Russia we celebrate this holiday on the 9th of May. We will celebrate it this year, it will become 80 years.

My grandfather was a militaryman. So we always celebrate this day. When I get up at the ninth of May I go to the shop and buy products. I always cook a holiday dinner too.

This holiday is very important for people living in Russia, because our grand and grand-grand parents were officers and militarians.

I am very proud of my country, because we are strong, brave and honest.

Why and how people celebrate the Victory Day.
Usually, people go to the parade, to see different tanks and military cars. Sometimes, they can watch it on a TV. The parade starts at 10 am. When people go back after the parade, they can carry on celebrating the Victory Day by inviting their relatives and friends to eat some chicken or meat.

Our pride and memory

Victory Day is one of the most important holidays in Russia. Our country will celebrate the 80th anniversary of the victory in the Great Patriotic War. Every year we celebrate this day on the 9th May. There is a parade in Moscow on this day. There is a concert in our city every year, and my class will take part in this concert. After this concert I will go to the monument with my family and we will put flowers there.

I think it is important to remember this day and the people who defended our country in difficult years. I think we will always remember them.
