Victory Day in Russia

In Russia there are a lot of different holidays, but one of the most important is the Victory Day, which is celebrated ~~every~~ ^{on the} 9th of May ~~every~~ ^{every} year. In this day a great number of people go to the ~~in the~~ ^{in the} huge street parade, where they can ^{see} military technic and ~~so~~ marching of humans. ~~Also~~ ^{Also} personally, me with my family have a big dinner, with different delicious food, ~~also~~ ^{when it's the} ~~also~~ ^{Victory Day}. Also, we sing patriotical songs.

In my opinion, this holiday - Victory Day, is very important. You would definitely ask a question, why? And I will answer - people, that took part in the Great Patriotic War, struggled for our country, for its independence. They suffered from hunger, dehydration, pain, wounds to give us future, to give us hope. Frankly speaking, lots of them have sacrificed themselves. I'm sure, that everybody, ~~who~~ ^{that} who lives in Russia MUST remember, ^{and} respect, thank ~~the~~ ^{the} victims of the Great Patriotic War, for all they have done for us and our lives.

Remember the sacrifice of them!

I'd like to give a talk about the importance of celebrating a Victory Day. All over the world people celebrate this holiday at the 9th of May. They meet with families or watch TV programmes about the Great Patriotic War. In my family we have an amazing tradition. ~~But~~ We usually meet with relatives, ~~make some delicious meats, enjoy time, spending together.~~ At the end of a family meeting we talk about people who died protecting our country. We remember about their tragic life stories, we really appreciate things that they have done. Q2. All people must remember about the War, to avoid happening such a bad thing again.
